

Harvest of Justice Table Prayers

from the National Farm Worker Ministry

HARVEST OF JUSTICE, which includes farm worker related inter-faith prayers and brief information about farm workers, calls us to prayerful community with the hundreds of thousands of farm workers who are too often invisible people in our country. It calls us - whether we are a congregation, a study group, or a family - into a shared hope for justice. **Harvest of Justice** is designed for use in the Autumn between the Canadian (October 11) and American (November 25) Thanksgiving holidays, but are appropriate for many circumstances.

The theme for the 2004 version is "The Immigrant's Journey"

- This year's Harvest of Justice follows the journey of farm workers -- leaving one's home country, crossing the border, and working in U.S. fields.
- There are 5 prayers, each representing a part of the journey.
